Fall Clean UP

The Police Department wishes to remind all citizens to strive to keep garbage and other debris cleared from all properties. City Ordinances covering weeds, garbage and debris are in force to insure our community is kept clean and presents a positive picture for visitors and residents.

The City has scheduled a Fall Clean Up for October 19th and 20th. Dumpsters will be available at the City Shed located on North Plum Street. The Police Department encourages all citizens to participate during the Fall Clean Up and take advantage of the dumpsters to get rid of unwanted trash or other items.

Lets all work together to keep our community clean and promote our town as one of the “Best 100 Small Towns to Live In.”
